Venue Buyouts

Our most popular option for corporate socials, we offer a range of buyout packages to suit your party size and budget. You can choose from a bespoke menu, house cocktails, classics, beers, wine or spirits and mixers. With full or partial venue hire available any day of the week, you're bound to find a solution to suit your needs.

Rates for venue hire will depend on a few variables:

- The day of the week your party will take place
- whether you require the full venue or a partial space, such as the patio or dining room, or high top tables
- Event duration
- Additions such as:
 - Welcome drinks
 - Canapés or sit down meals for your guests
 - bespoke, off-menu cocktails
 - DJ services
 - Take home bottled cocktails as party favours

With these details, we can curate a quote for you.

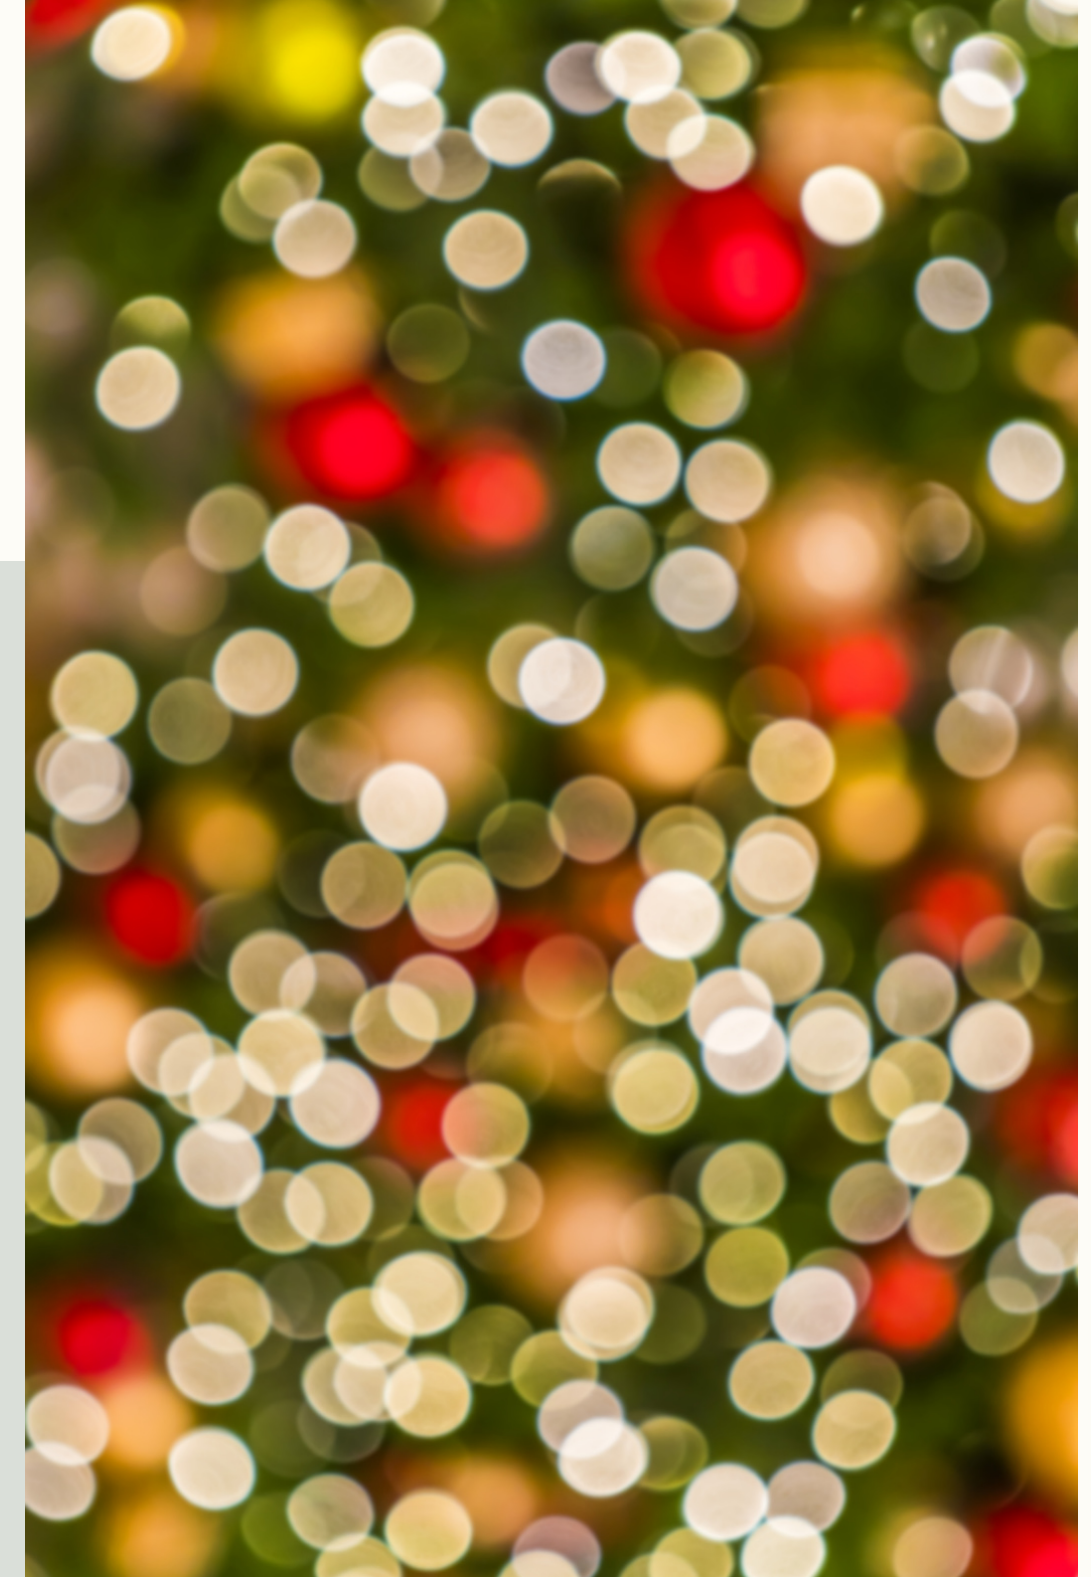

Holiday Parties

The 2023 Holiday Season is fast approaching. Bookings are recommended as early as possible to avoid disappointment.

We offer a range of set minimum spend options for full venue buyouts depending on days of the week. These will ensure only your group has exclusive access to the venue. Monday - Wednesday starting at CI\$4000, Thursday CI\$5000, Friday CI \$10,000, Saturday CI\$8000, Sunday CI\$4000.

We also offer a partial buyout option, booking specific areas such as the patio or lounge only. These are also dependant on duration, time, and day, but start at CI \$2000 minimum spend.

For the above prices, we can offer options from our current food and drink menus, or if there's something bespoke you'd like created, we can discuss those options with you. Our space works best for stand up parties, with canapes and cocktail service. Our selection for bespoke canapes varies depending on supply and freshness of produce available on island. We can work with you prior to your party to find something you'll love.

FAQ's

I didn't see anything I like on your menu - can you make something specific for me?

Of course! We often get requests for specific drinks and are happy to facilitate.

Can you take care of extra equipment hire for me for my event? Tables, etc.

Our team will bring everything they need with them for your class or party. If you need extra large equipment such as tables or chairs, don't hesitate to let us know - we can help arrange that for you. Most of our guests choose to hire glassware which we can also help with.

I don't drink gin, but I really like the sound of this drink. Can I switch things up?

Sure! It's easy for us to substitute one ingredient for another.

FAQ's

How can I ensure Covid-19 safety?

Our entire team are fully vaccinated against Covid-19. We approach sanitation and safety with the utmost precaution. Do not hesitate to let us know if you require attendees to test on the day of the event. We also offer Zoom cocktail classes, where we'll drop off the materials and pick them back up - all contact free.

My event has a special theme - can you make something that represents my theme or business?

We've always on board with a fun or festive theme, and can create some amazing cocktails to match! Often corporate clients like to bring some of their own branded merchandise.

I need a few non alcoholic options, can you help me create something special?

Of course. We're constantly developing different alcohol free cocktails to give our guests variety and quality.
